## Pot Of Gold Results!

We have had only one winner in the past few weeks and that was MARK DOWLING so have him buy you a beer. He can afford it with his winnings! Since then, the following people have been drawn but were not present on Thursday night at 8 PM: Chris Aquiline, Sal Monaco, Mark Schiffauer, Linda Klinko, Karen Fenzl, Stuart Green, Thomas Tallman, Ed McHugh, Mike Tylock and George Biehler. The names go back into the Pot so better luck next time!

# CLUB NEWS & MORE

## FROM THE CHAIR

It seems that summer has at last arrived. We have just finished a great 4th of July weekend with many enjoyable activities at Brierwood. The EF Martin started out on the wet side but finished as a very successful tournament with many more events to come yet this year.

I know that I have mentioned this before but I feel it is important to do so again. All of our activities and events are the result of the hard work and dedication of our various committees. The further I get into my first year as board chair, the more I realize the amount of effort that our fellow members provide. The hours it takes to plan and coordinate the events are numerous. I recognize that sometimes these efforts can be taken for granted but they should not be. Often the committees work in tandem to create even better experiences for every member of Brierwood.

As we partake and enjoy all Brierwood has to offer take a moment to thank the committee chairs and their members. See you at the next event!

*Dave Lee*  
BOARD CHAIR

## FROM THE MANAGER

Wow! What a great start to the busy summer months at Brierwood! The golf course is in great condition, the pool is rocking, and the members' grille room is packed. All of your committees have worked very hard to put together a great schedule of events for you to enjoy. These events can be found on the web site ([www.brierwoodcc.com](http://www.brierwoodcc.com)) or via email. If you are not receiving emails please contact Katie at [kzulawski@palmergolf.com](mailto:kzulawski@palmergolf.com) or 648-2700 x 219 to ensure you are up to date on all of the club's happenings!

The Partnership Fund is steadily climbing towards our goal of 400 Full Golf Members. Many members have aided the Board of Governors and Ambassador Committee in successfully nominating and sponsoring a new member into the club over the past six weeks. Please make sure to check out the leader board posted in the grille room and outside the golf shop. In addition we will be holding many "Red Tent" events throughout all areas of the club in the month of July. This tent should signify a Membership Nomination opportunity for you and your guests! Bring your guest to the tent, have them speak with an Ambassador and/or manager to start the process of joining Brierwood. Very simply, the Partnership Fund will ONLY work if our current members' want it to work!

The Sweepstakes Drawing for a Year of Full Dues has been extended until the end of July. Any current member who sponsors a Full Golf Member into the club will be entered to win a FULL YEAR OF FREE DUES! Yes, that is 12 entire months of enjoying your club with no monthly dues! Our hopes is that you will dig a little deeper, search a little harder so that your name can be entered into this TERRIFIC sweepstakes. Contact any member of the board, ambassador committee, or department head to formally nominate a member candidate.

Finally, I would like to thank all of you for being members' of Brierwood Country Club. I have had many comments regarding the changes occurring throughout the club: the wheat grass on the course, the paving of portions of the cart path, the addition of a water cooler on the range, and various other upgrades. Most of these items have been a result from the survey conducted at the end of the year in 2010. Your voice does matter to all elected board members and management. I encourage all of you to continue your feedback as we ALL want to make Brierwood the very best it can be.

Sincerely,  
*Raymond Tugend*

July is here and Summer is in full swing. Just as repetition and routine are critical to a sound golf swing, so goes our efforts for a successful Partnership Fund Campaign. Therefore, I will again put forth our charge to bring this Club to its rightful place of esteem among its local private club counterparts. Please do not just read this and set it aside. Take up the torch and help us charge across the finish line. We all deserve it.

With respect to Membership...we need 43 more golf members as I write this article. We currently have 357 and need to reach 400 in order to trigger our Fund. \$500,000.00 is a tremendous sum of money. Stop right now and just imagine for one moment what this club would look like with half of a million dollars worth of enhancements, upgrades and improvements. Arnold Palmer Golf Management and Century Golf Partners have made an agreement with us that allows us to use 100% of new member dues to accrue this Fund and decide for ourselves what to use the money for. I simply can't envision a more well designed program. We are the sole benefactors and all we have to do is bring our friends, family and neighbors in to experience what we have to offer. I'll take care of the rest.

With respect to Golf...forgive me but I'm going to do it again. Please note the following Rules and Regulations. ALL PLAY is to be registered in the Golf Shop prior to taking the tee. ALL PLAYERS MUST REGISTER WITHOUT ANY EXCEPTIONS. All members are responsible for their guests. ALL GUESTS are to fill out a guest registration card completely and accurately each and every time they play. Also note that GUEST PLAY is after 11:30am on weekends and holidays. DRESS CODE is mandatory. It is posted plainly and clearly and is in effect at ALL times for ALL players, including at the range and at all practice facilities. Cart rules for the day are also posted plainly and clearly and are to be followed by ALL players. Also, ALL PAR 3's and the upper area of #14 (after the creek) are ALWAYS Cart Path Only. Please note that ALL POLICIES will be enforced uniformly and consistently by myself and all members of my Golf Professional Staff without exception or special consideration.

In closing, let me thank you all once again for your loyalty and continuous support of this Club. Thanks also to each of you that have already sponsored new members. To the rest of our members, we need you. We need your help to trigger this Fund. I will meet with any prospect at any time. Please take a moment right now and send me an email at tengel@palmgolf.com with your new prospect's info for membership. I will contact you right away and we can decide together the best way to approach your prospect.

## From the House Committee.

The Ladies 18 & 9 hole golfers' wine tasting & tour to showcase the newly updated Ladies Locker room were a complete success. The ladies were very pleasantly surprised on just how nice and spiffed up the Ladies Locker room does look now. Please make good use of what your club has to offer. Thanks to Chef Ed for the pizzas & Art Vater for the wine.

Also upcoming, the house committee is looking to work together with Brian Coyne on putting back up the blue bird houses on the golf course, to encourage the birds to nest as well as enhance the landscape for those of us who can appreciate seeing the beautiful creatures making their homes right on our course.

The question has also been raised on the need for another port-a-potty strategically located on the golf course.

As always, we encourage all our members to come on down and enjoy the club! See you there...

# POOL COMMITTEE

Hello all! It has been great to see everyone starting to return to the pool. Hopefully we are done with the 60 degree days! June was a fun month and we had a great time at The Taste of Summer. We have a number of additional events planned for this month to keep the fun going throughout the entire summer. We are excited to announce that we have one of the largest swim teams in recent times. Everyone has been swimming hard to prepare for the meets. To kick off the "Swim Season", the Brierwood Bandits hosted the first meet against Hickory Hill on June 30th. Although we lost, the Brierwood team scored substantially more points than last year. It was a close meet and everyone swam great. All are encouraged to come on Thursdays to cheer on the swim team for the rest of the season. GO BANDITS! On July 8th, we will be hosting Family Disco Night at the pool from 6:30pm to 9:30 pm. It is a free family event with a cash bar. Our own Chef Ed will be the Dee-Jay and prizes for best costume will be given to an adult and a child. We just ask that you call ext. 213 with approximate numbers so that Chef

Ed can plan for the evening. So, put on your 70's disco clothes and join us for a night of fun, laughs and memories you won't soon forget! We will also be having the Second Annual Teen Night at the pool on July 12th from 7pm to 10pm. We encourage all from 6th to 10th grade to attend and friends are welcome. Music, food and drinks will be served. On July 15th, we will host our second Movie Night. Check the signs around the pool for the movie choice. As always, this event is free. Popcorn, candy and soda will be provided. In addition, on July 17th, we will be celebrating Christmas in July. Numerous events and activities will be held throughout the day for the kids. As you can see, we have a month full of family fun and we hope to see everyone there! Also, as a gentle reminder, while at the pool please make sure that you place all trash in the nearest receptacle to keep the seagulls out to sea! Hope to see you soon!

## GOLF COMMITTEE REPORT

July is the month to test your friendship with your member golf friend and your spouse. The Ladies member/member, the Men's member/member and the Mr. & Mrs. Club Championship makes July special for all golfers. Check your calendar and sign up early.

The E. F. Martin was played and finished on schedule with an exciting playoff. Congratulations to John Lohr and Mike Wright for their win. Next year we will send a formal invitation to Zeus to ward off bad weather. A special thanks to Ray and Tim for their squeegee talents. How they and their associates maintained play was almost a miracle. We will review all aspects of the Martin's new format and determine what worked and what needs to improve. Please convey your thoughts to any golf committee member.

By now you have played around and hopefully not in all of the new grasses on the course. The member feedback has been extremely positive specifically noting the enhanced esthetics. We have introduced some simple local rules to deal with the new grasses. The purpose of the rules is to be fair and to maintain the pace of play. It is imperative you familiarize yourself with these rules in the unlikely event you hit a ball into the hay.

Please repair your ball marks, fix divots and maintain pace of play.

*Holly Strassle & Art Telaak*  
GOLF COMMITTEE

## RULES & POLICY

Finally the weather has turned and we've had a chance to get out there and work off the rust of a long winter and wet spring. The revised rules are in place and hopefully everyone has had a chance to refresh themselves on what is expected as a member. It is key to note that as a member you should be aware of the rules and your responsibilities. It is important for example to register before play. Your guests especially need to sign in at the pro shop. It's important to inform your guest of proper dress before play, you are responsible for them. Recently while playing a member of my group politely as possible said to a guest in the group behind "just so you know, someone might complain that you had cargo pants on" Shortly there after on the next hole the member came storming over to verbally complain about the comment stating "I

can take care of my guest". Well then why did they have cargo shorts? Secondly if you have a problem do not confront another member in a threatening way. That's why we have the staff. Two days later I witnessed a guest driving down the 3rd fairway. What was that? Remember it's up to you to behave because you are not the only member. Last but not least fix those divots, they usually don't weigh that much. If you can play golf you can pick up a divot right. If your back hurts to much I know a few people who can fix them.

## HELLO FROM THE AMBASSADOR COMMITTEE

Jim Bubar just told me that I have to keep the article short this month because he is running out of room. Therefore this month all you get is a great big WELCOME to the newest members of the Brierwood family from the Ambassador Committee. Many new members are bringing their friends to enjoy the numerous amenities of BCC and they are joining as well! Our clan just keeps getting bigger. Well, you'll have to wait until next month to hear about the geese during the fireworks so until then,

See you around the club!
